

PRESS RELEASE

San Giovanni in Marignano, Mar 27TH 2024

SUBJECT: MT – NIKKEN cooperation on the Japanese market

We are glad to inform you that, on Mar 14TH 2024, **M.T. S.r.l** signed an agreement with the company **Nikken Kosakusho Works Ltd.** for the import and sales of our static and driven toolholders on the Japanese market.

The company Nikken Kosakusho Works Ltd., with headquarter in Osaka, Japan, is worldwide leader in the production and sales of high quality and high accuracy accessories for machine tools, like rotary tables, toolholders for machining centers, reamers and tool presetting machines. Thanks to the new cooperation, the company will offer to the customers process integration solutions for turning applications.

The sales and service activities of M.T. products will be handled in Japan by the new company **M-N Tooling**, established in March 2024.

Thanks to this agreement and the creation of the new company, M.T. intends to offer its Japanese customers improved commercial, technical and service support for every type of machining application. For this purpose, we appointed M-N Tooling as the official exclusive distributor of our static and driven toolholders in Japan.

Informations about the companies are reported below.
